SLICE INFORMATION SHEET

St. Louis Interfaith community Explorations (SLICE) is a weeklong interfaith youth service day camp sponsored by Interfaith Partnership/Faith Beyond Walls. The week will involve community service as well as dialogue and reflection on community issues.

On Monday morning we begin with a poverty simulation during which participants role-play the lives of low-income families, including single parents, people with disabilities, Medicaid recipients and senior citizens on Social Security. During the next four days, participants will be assigned to various volunteer community improvement projects throughout the St. Louis region.

Below are some general details about the program. Attached also are **Permission Forms** that must be completed and signed by each adult and participating child's parent or guardian. Please check with the Youth Director at your faith community with any questions or concerns. If you would like to speak directly with Interfaith Partnership/Faith Beyond Walls staff, please contact Mandy Ellis, Director of Service Learning and Projects at (314) 531-4787 or mellis@faithbeyondwalls.org.

We recommend participants wear comfortable work clothes and a pair of comfortable closed-toe shoes. T-shirts and shorts are fine as long as they are modest. *Please no short shorts.* Revealing or excessively tight garments are prohibited. Appropriate foundation garments and/or undergarments must be worn. The midriff is not to be exposed when the participant engages in normal activities (standing, walking). **UNDERWEAR IS NOT TO BE EXPOSED AT ANY TIME.** Articles of clothing, garments, and accessories with pictures, emblems or writings that are lewd, offensive, vulgar, or obscene, or depict violence, death, tobacco products, alcoholic beverages, drugs or any other illegal substance are also prohibited.
