

Visit Your Local Congressional Offices!

It only takes a few minutes, but it makes a powerful statement about how much you care. Please stop by the local offices of Missouri's two U.S. Senators and your Congressperson, any time the offices are open (generally M-F, 9-5). Tell them you support federal health care reform. Be sure to fill out the Missouri Health Care for All form (below) and leave it at the office so they know you were there. After you visit, contact Stacey Sickler at ssickler@faithbeyondwalls.org or 314-531-4787 and let her know how it went!

Don't know who your Congressperson is? Look it up at www.house.gov.

I support Missouri Health Care for All, and I want health care reform passed this year guaranteeing that:

- All Missourians must have quality, affordable health care
- The care is available regardless of where you live or how much money you make
- Missourians will have choices that include good public insurance programs and private coverage
- Individuals, businesses, government and insurers will share responsibility in making health care access and costs affordable, efficient and fair
