Faith Beyond Walls Project Proposal and Request for Volunteers

Faith Beyond Walls (FBW) brings together people of faith to volunteer on community improvement projects throughout the St. Louis Metropolitan Region. Projects will be selected based on the following guidelines:

- May only be submitted by groups or organizations that have been in existence for more than 1 year. We will not accept proposals from individuals.
 - Must involve partnerships with the residents or community organizations of the neighborhood being served to ensure sustainability.
 - In general, projects should be time specific, requiring a one to two day commitment, usually on the weekend. Volunteers are asked to serve for 6 hours or less per day.
 - Projects must require the volunteer labor of 10 or more volunteers.
 - Project sponsors are responsible for acquisition of materials and supplies for the project. FBW has a limited number of tools that can be used for projects.
 - Project must have an immediate, measurable and observable impact on the quality of life in the target community.
 - Certificate of insurance by host agency/ organization listing FBW as additional insured on liability insurance for duration of project.
